CHARRIS

Sandra and Tony run a well maintained park with a warm and friendly service.
Sited on the edge of the Stour Valley, the park has approx. 3 acres of sheltered, tree screened grassy areas, providing 45 pitches for caravans, motor vans and tents on flat and gently sloping areas.
Dogs are allowed, but must be kept on a lead and exercised off site.
The park is within easy reach of the tourist attractions in and around Dorset. Poole and Bournemouth are 8 and 9 miles away, with a harbour, sandy beaches, theatres, gardens and a night life.
We are a 5 minute walk from local buses.
Wimbome, famous for its minster with twin towers, is only one and a half miles away.
The National Trust properties of Shell Bay, Studland Heath, Brownsea Island and Carfe Castle are all within a short drive.
Further afield you can find Beaulieu Motor Museum, the Tank Museum, the Royal Signals Museum and the New Forest.
For beautiful views, scenery and beaches, look for the Isle of Purbeck with Lulworth Cove, Swanage and Studland.
You will find us just off the A31, west of Wimbome. From the east - on the A31, take the first turning left, shortly after The Caravan Company and an Esso Garage.
From the west - on the A31, across the A350 roundabout, take the next turning right after the B3074. (Carfe Mullen South)
Follow the Brown Camping International Signs from the main road into Candys Lane. We are on the left.
Please use the second entrance, where you will find reception and shop.
Please approach with care as we have height barriers which are always closed for security reasons.
